SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 and SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 ('SEBI Circulars'), permitted companies to conduct their Annual General Meeting (AGM) through video conferencing (VC) or other audio visual means, subject to compliance of various conditions mentioned therein. In compliance with the MCA Circulars and applicable provisions of Companies Act, 2013, and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the 75th AGM of the Company is being convened and conducted through VC. The deemed venue of the AGM shall be the registered office at Solan Brewery, Solan, Himachal Pradesh-173214.
- 2) Pursuant to the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of The Companies (Management and Administration) Rules, 2014 as amended and as per MCA General Circular No. 14/2020, dated 08th April, 2020, MCA General Circular No. 17/2020, dated 13th April, 2020, MCA General Circular No. 20/2020 dated 05th May, 2020 and MCA General Circular No. 02/2021 dated 13th January, 2021, 21/2021 dated December 14, 2021, General Circular No. 2/2022 dated May 5, 2022, and General Circular No 10/2022 dated December 28, 2022, the Company is offering "remote e-voting facility" prior to the date of AGM and "E- voting facility" during the AGM to its Members in respect

NATIONAL CEREALS PRODUCTS LIMITED

of all businesses to be transacted at the AGM. Shareholders are requested to refer the detailed instructions for the remote e-voting process and e-voting process during the AGM given elsewhere in this Note.

- 3) The Company has enabled the Members to participate in the 75th AGM through the VC facility provided by Central Depository Services Limited, (“CDSL”). The instructions for participation in the 75th Annual General Meeting through VC/OAVM Facility and e-Voting during the said Annual General Meeting by the Members are given in the subsequent paragraphs. Participation at the AGM through VC shall be allowed on a first-come-first-served basis.
- 4) As per the applicable provisions read with the MCA Circulars, Members attending the 75th AGM through VC shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
- 5) The Company has provided the facility to Members to exercise their right to vote by electronic means both through remote e-voting and e-voting during the AGM. The process of remote e-voting with necessary user id and password is given in the subsequent paragraphs. Such remote e-voting facility is in addition to voting that will take place at the 75th AGM being held through VC.
- 6) Members joining the meeting through VC, who have not already cast their vote by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC but shall not be entitled to cast their vote again.
- 7) As per the Companies Act, 2013, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf. Since the 75th AGM is being held through VC as per the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be made available for the 75th AGM and hence the Proxy Form and Attendance Slip are not annexed with this Notice.
- 8) Corporate Members are requested send a certified copy of the Board resolution authorizing their representative to attend the AGM through VC and to vote on their behalf at ncp@nationalcereals.com. Institutional investors are encouraged to attend and vote at the meeting through VC.
- 9) In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
- 10) The Register of Members and Share Transfer books will remain closed from Saturday, September 23, 2023 to Tuesday, September 26, 2023 (both days inclusive)
- 11) In line with the MCA Circulars, the notice of the 75th AGM along with the Annual Report 2022-23 are being sent only by electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories. Members may please note that Notice calling 75th AGM and Annual Report for the year 2022-23 will also be available on the Company’s website at <https://www.nationalcereals.com/investors/annual-reports/>, websites of the Stock Exchange i.e. Calcutta Stock exchange at [https:// www.cse-india.com](https://www.cse-india.com) and on the website of CDSL at [https:// www.evotingindia.com](https://www.evotingindia.com) (Notice of AGM only).

- 12) Members who have not registered their e-mail address are requested to register the same in respect of shares held in electronic form with the Depository through their Depository Participant(s) and in respect of shares held in physical form by writing to the Company's Registrar and Share Transfer Agent, Mas Services Limited at info@masserv.com. Members may note that pursuant to the General Circular No. 20/2020 dated May 5, 2020 issued by the MCA, the Company has enabled a process for the limited purpose of receiving the Company's annual report and notice for the Annual General Meeting (including remote e-voting instructions) electronically, and Members may temporarily update their email address by writing to RTA of the company or alternatively they may also write to the company secretary of the company at ncp@nationalcereals.com.
- 13) The details of the Director seeking appointment/re-appointment at the 75th AGM are provided in "Annexure A" of this Notice. The Company has received the requisite consents/declarations for the appointment/re-appointment under the Companies Act, 2013 and the rules made thereunder.
- 14) Members who hold shares in dematerialized form and want to provide/change/correct the bank account details should send the same immediately to their concerned Depository Participant and not to the Company. Members are also requested to give the MICR Code of their bank to their Depository Participants. The Company will not entertain any direct request from such Members for change of address, transposition of names, deletion of name of deceased joint holder and change in the bank account details. While making payment of Dividend, the Registrar and Share Transfer Agent is obliged to use only the data provided by the Depositories, in case of such dematerialized shares.
- 15) Members who are holding shares in physical form are advised to submit particulars of their bank account, viz. name and address of the branch of the bank, MICR code of the branch, type of account and account number to our Registrar and Share Transfer Agent, Mas Services Limited (Registrars & Share Transfer Agents), T-34, 2nd Floor, Okhla Industrial Area, Phase - II, New Delhi – 20, Ph.:- 26387281/82/83, website: www.masserv.com.
- 16) Members who are holding shares in physical form in identical order of names in more than one folio are requested to send to the Company or its Registrar and Share Transfer Agent the details of such folios together with the share certificates for consolidating their holding in one folio. The share certificates will be returned to the Members after making requisite changes, thereon. Members are requested to use the share transfer form SH-4 for this purpose.
- 17) In accordance with the proviso to Regulation 40(1) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, effective from April 1, 2019, transfers of securities of the Company shall not be processed unless the securities are held in the dematerialized form with a depository. Accordingly, shareholders holding equity shares in physical form are urged to have their shares dematerialized so as to be able to freely transfer them and participate in corporate actions.
- 18) Non-resident Indian shareholders, if any, are requested to inform about the following immediately to the Company or its Registrar and Share Transfer Agent or the concerned Depository Participant, as the case may be: -a) the change in the residential status on

NATIONAL CEREALS PRODUCTS LIMITED

return to India for permanent settlement, and b) the particulars of the NRE account with a Bank in India, if not furnished earlier.

- 19) Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company. The Nomination Form SH-13 prescribed by the Government can be obtained from the Registrar and Share Transfer Agent or can be obtained from the Secretarial Department of the Company at its registered office.
- 20) The following documents will be available for inspection by the Members electronically during the 75th AGM. Members seeking to inspect such documents can send an email to ncp@nationalcereals.com .
 - Certificate from the Statutory Auditors/Secretarial Auditor relating to the compliance as per SEBI (LODR) 2015.
 - Register of Directors and Key Managerial Personnel and their shareholding, and the Register of Contracts or Arrangements in which the Directors are interested, maintained under the Companies Act, 2013.
- 21) In case of any queries regarding the Annual Report, the Members may write to ncp@nationalcereals.com to receive an email response.
- 22) As the 75th AGM is being held through VC, the route map is not annexed to this Notice.
- 23) The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN details to the RTA/Company.
- 24) Members are requested to intimate to the Company queries, if any, regarding Accounts/Notice at least 7 days before the Meeting at its Registered Office address to enable the Management to keep the information ready at the meeting.
- 25) Your company is offering e-voting facility to all shareholders of the company and accordingly it has entered into an agreement with CDSL enabling participation in the 75th AGM through VC/OAVM Facility, remote voting and e-Voting during the 75th AGM with a view to enable the shareholders to cast their vote electronically.
- 26) The e-voting will commence on September 23, 2023 at 09:00 a.m.(Saturday) and ends on September 25, 2023 at 05:00 p.m. (Monday) (5:00 PM, IST). THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on September 23, 2023 at 09:00 AM and ends on September 25, 2023 at 05:00 PM. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (September 19, 2023) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

NATIONAL CEREALS PRODUCTS LIMITED

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENT

Maize is the second most important cereal crop in the world in terms of acreage and is called the 'Queen of Cereals.' It is also known as the miracle crop, due to its high production potential. In the Indian context, not less than 15 Million farmers are engaged in maize cultivation and it generates employment for more than 650 million person-days at farming and its related business ecosystem levels. Importantly, maize contributes more than 2 per cent to the total value of output from all agricultural crops. The crop is less water demanding than other similar cereals and being a 'day neutral plant', it gives higher yield per hectare in a shorter period and can be grown in any season. The multiple utilities of maize as a 'food', 'fodder' and 'feed' makes it further more demand friendly and insulates it against low demand situations. These unique characteristics of maize make the crop a suitable crop candidate for enhancing farmer's income and livelihoods in India.

States such as Karnataka, Rajasthan, Andhra Pradesh and Madhya Pradesh, contribute towards half of the total maize acreage in the country. The aforementioned states including Bihar account for almost 2/3rd of the national maize production.

In totality, as compared to traditional crops, Maize based industry has grown tremendously, which is largely attributed to the private sector. In order to provide significant push to the sector, an effective implementation of FICCI Maize vision 2022 would be of paramount significance. An enabling policy environment with deeper engagements of stakeholders across value chain would be crucial and would trigger the rapid crop growth with necessary momentum for overall agriculture sector. To realize the potential of maize as 'the future cereal crop', it is necessary to have an amalgamation of strategies and interventions around technological innovations, promoting producer aggregation and linkages, enabling supporting infrastructure, forgoing PPP relations, and facilitating several policy interventions. India stands at 5 rank in Maize hybridization. Maize is among the top three crops worldwide, after rice and wheat.

BREWING & DISTILLING

In the process of obtaining beer, Maize grits is the most common raw material in current use. The advantages of using this cereal for brewing are well known. Brewery grits are a product obtained from milling corn in a semi-humid way. The process is relatively simple. When the corn arrives at the mill, it is cleaned and tempered with steam until it reaches 20% humidity, to later degerminate the grain. Brewery grits are rich in starch and when degerminating the grain, they have a lower amount of fat than the whole grain. Additionally it can soften the flavor of the final product to the liking of the consumer and also give the beer a golden tone with greater brightness. Adding a percentage of brewery grits will also make the beer have a lower protein index.

MARKET OUTLOOK

Maize is a multi-faceted crop used as food, feed and industrial crop globally. Maize has a very prominent role to play in the Indian economy too. Currently this coarse grain is cultivated in about 10.2 Million hectare in India. The increasing interest of the consumers in nutritionally enriched products and rising demand for poultry feed which accounts 47% of total maize consumption are the driving forces behind increasing consumption of Maize in the country. As per the demand estimates, the Indian Maize production has to grow with CAGR of 15% in next 4-5 years. Maize accounts for the major share of the coarse grain production; showing a steady upward trend over the last decade on growing domestic demand and increasing productivity.

OPPORTUNITIES AND THREATS

There is a tremendous potential of growth of the Maize value chain in the country. The consumption of Maize has increased at a CAGR of 11% in last five years. Today, Maize is a source of more than 3500 products including specialized Maize like QPM “Quality Protein Maize. In order to provide significant push to the sector, an effective implementation would be required for promotion of Maize based Skill development centers and Maize based farm machinery banks for small and marginal farmers can be the big game changers.

INDEPENDENT AUDITOR’S REPORT

To the Members of National Cereals Products Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of National Cereals Products Limited (“the Company”), which comprise the Balance sheet as at March 31 2023, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the statement of Changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Ind AS Financial Statements’ section of our report. We are independent of the Company in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that in our, professional judgment were of most significance, in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming

our opinion thereon, and we do not provide a separate opinion on these matters. We have determined there are no key audit matters to communicate in our report

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with

relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”), issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act, we give in the “Annexure 1” a statement on the matters specified in paragraphs 3 and 4 of the Order.

(viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

(ix)(a) The Company did not have any outstanding loans or borrowings or interest thereon due to any lender during the year. Accordingly, the requirement to report on clause ix(a) of the Order is not applicable to the Company.

(ix)(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(ix)(c) The Company did not have any term loans outstanding during the year hence, the requirement to report on clause (ix)(c) of the Order is not applicable to the Company.

(ix)(d) The Company did not raise any funds during the year hence, the requirement to report on clause (ix)(d) of the Order is not applicable to the Company.

(ix)(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.

(ix)(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.

(x)(a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments). Accordingly, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.

(x)(b) The Company has not made any preferential allotment or private placement of shares / fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.

(xi)(a) No fraud/material fraud by the Company or no fraud/material fraud on the Company has been noticed or reported during the year.

(xi)(b) During the year, no report under Sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by cost auditor, secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(xi)(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

(xii) The Company is not a Nidhi company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a), (b) and (c) of the order are not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of such transactions have been disclosed in the financial statements, as required by the applicable accounting standards.

(xiv) The Company has engaged the services of a firm of Chartered Accountants for internal audit. In our opinion the Company has an internal audit system commensurate with the size and nature of its business.

(xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.

(xvi)(a) The provisions of Section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.

(xvi)(b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid Certificate of Registration (COR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

(xvi)(c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.

xvi)(d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.

(xvii) The Company has incurred cash losses of Rs 852140/- in the current financial year and Rs 1672173/- in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.

(xix) On the basis of the financial ratios disclosed in note 27 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The provisions of Section 135 of the Companies Act, 2013 are not applicable to the Company and hence, the requirement to report on clause 3(xx)(a) and (b) of the Order are not applicable to the Company.

ANNEXURE II REFERRED TO IN PARAGRAPH 2(g) UNDER THE HEADING OF “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR AUDIT REPORT OF EVEN DATE

Re: National Cereals Products Limited) (‘the Company’)

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of National Cereals Products Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended March 31, 2023

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s

judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

National Cereals Products Limited

Note 1: Corporate information

The company is a Public Limited Company incorporated and domiciled in India and has its registered office at Solan Brewery, Shimla Hills, Himachal Pradesh. The company is listed on the Kolkata Stock Exchange(KSE).The company is engaged in trading of Maize flakes .

Note 2: Significant accounting policies

(a)Basis of preparation and Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) from time to time and presentation requirements of Division II of Schedule III of the Companies Act,2013,(IN AS compliant Schedule III),as applicable to the company.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These financial statements have been prepared under the historical cost convention on the accrual basis, except for certain financial instruments and provisions which are measured at fair values at the end of each reporting period, as explained in the accounting policies below (as applicable).The financial statements were authorized for issue by the company's Board of Directors on 30th,May,2023.

(b) Accounting estimates ,assumptions and judgements

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, Uncertainty about these assumptions and estimates could result in outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future period. The area involving critical estimate or judgment is recognition of deferred tax assets for carried forward losses, impairment of trade receivables and estimation of tax expense.

c)Current versus Non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

❖ An asset is classified as current when it is :

- expected to be realized or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of the trading,
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

❖ A liability is classified as current when:

- it is expected to be settled in normal operating cycle,
- it is held primarily for the purpose of the trading,
- it is due to be settled within twelve months after the reporting period, or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

National Cereals Products Limited

Significant accounting policies contd.

The company classifies all other liabilities as non-current

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(d) Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the written down value method to allocate their cost, net of residual values, over their estimated useful lives of the assets as prescribed under schedule II to the Companies Act, 2013. Depreciation on the assets marked * in note 3 to the financial statements have been calculated upto 31st. March, 2019, and after that no depreciation is calculated as the carrying amount of these assets represents residual value.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable values.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within gains / (losses).

(e) Cash and cash equivalents

Cash and cash equivalents includes cash on hand and deposit with banks. Cash equivalents are short term, highly liquid investments that readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

The cash flow statement is prepared in accordance with the Indian Accounting Standard (IND AS) -7 "Statement of Cash Flows" using the indirect method for operating activities.

f) Provisions, Contingent Liabilities and Contingent assets

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is disclosed when there is a possible obligation from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain events not wholly within the control of the entity or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

A contingent asset is disclosed when a possible asset that arises from past events and whose existence will be confirmed only by the Occurrence or non-occurrence of one or more uncertain events not wholly within the control of the entity. Contingent liabilities and assets are not recognized but are disclosed in notes.

National Cereals Products Limited

Significant accounting policies contd.

(g) Income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid/payable to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting period date. However, no provision for tax has been made in view of losses of the company.

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and Unused tax losses only if it is probable that future taxable profit will be available to utilize those temporary differences and the carry forward of unused credits and unused tax losses.

However, during the year ended 31st.March,2023 (Previous year ended 31st.March,2022,the company has not recognized deferred tax asset for all temporary differences and unabsorbed depreciation and unused tax losses as there is no probability that taxable profits will be available against which those temporary differences and losses can be utilized.

(h). Revenue recognition

Revenue from contracts with customers

Revenue is recognized upon transfer of control of promised goods or services to customers at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The Company has concluded that it is the principal in its revenue arrangements, because it typically controls the services before transferring them to the customer. Revenue is measured at the transaction price.

Interest income

Interest income is recognized using the bank interest rates which is considered to be effective rate of interest. The effective rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. While calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (For example prepayments, extension, call and similar options) but does not consider the expected credit losses.

(i) Borrowing costs

Other borrowing costs are expensed in the period in which they are incurred.

(j) Employee benefits

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current benefit obligations in the Balance sheet.

National Cereals Products Limited

Significant accounting policies contd.

Other long term employee benefit obligations

The liabilities for earned leave and sick leave are expected to be settled wholly within twelve months after the end of the period in which the employee render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Post-employment obligations

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuary using the projected unit credit method, is funded with Life Insurance Corporation of India.

The net interest cost is calculated by applying the liability discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from the expected interest income on plan assets and the return actually achieved and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans are recognized directly in other comprehensive income and subsequently not reclassified in the statement of profit and loss.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

Defined contributions plan

The company's contributions to provident fund are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. The company has no further payment obligations once the contributions have been paid.

Bonus plans

The company recognizes a liability and an expense for bonus. The company recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

(k) Earnings per share

Basic and diluted earnings is computed by dividing the profit/(Loss) attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year

(l) Financial instruments

Initial recognition and measurement

An initial recognition, the company measures a financial asset at its fair value plus, in the case of financial asset not at fair value through profit and loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

National Cereals Products Limited

Significant accounting policies contd.

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and cash flow characteristics of the asset. There are three measurement categories into which the company classifies its debt instruments:

- **Amortized cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit and loss when the asset is derecognized or impaired these. Interest income from these financial assets is included in finance income using the effective interest rate method.
- **Fair value through other comprehensive income(FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI).Movements in the carrying amount are taken through OCI ,except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit and loss and recognized in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate.
- **Fair value through profit or loss :** Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt instrument that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of profit and loss within other gain/(losses)in the period in which it arises. Interest income from these financial assets is included in other income.
- **Equity instruments:**
Investments in equity instruments classified under financial assets are initially measured at fair value, the company may on initial recognition, irrevocably effect to measure the same either at FVOCI or FVTPL. The company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognized as other income in the Statement of profit and loss unless the company has elected to measure such instrument at FVOCI.
- **Impairment of financial assets**
In accordance with IND-AS 109,the company applies expected credit loss (ECL) mode for measurement and recognition of impairment loss on financial assets and credit risk exposures.
Financial assets that are debt instruments, and are measured at amortized cost e.g.loans,deposits,trade receivables and bank balance. Financial assets that are debt instruments and are measured as at FVTOCI
The company follows simplified approach for recognition of impairment loss allowance on trade receivables. Concentration of credit risk with respect to trade receivables is limited being amount due only from a related party The application of implied approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its recognition.
- **Derecognition of financial assets**
A financial asset is derecognized only when the company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients. When the entity has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

National Cereals Products Limited

Significant accounting policies contd

Where the company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortized cost (loans and borrowings)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to p & L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit and loss. The Company has designated its liabilities as financial liability as at fair value through profit or loss.

Financial liabilities at amortised cost (Loans and borrowings)

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings. The Company has not designated its financial liabilities at amortized cost.

(m) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

(n) Trade payables

The amount represents liabilities for services provided to the company prior to the end of the period which are unpaid. The amounts are unsecured non-interest bearings and are usually paid within 60 days of recognition. Trade payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized at amortized cost, and the carrying amounts are reasonable approximation of fair value.

(o) Leases

The company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange of consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether (i) the contract involves the use of an identified asset, (ii) the company has substantially all of the economic benefits from the use of the asset through the period of lease, and (iii) the company has the right to direct the use of the asset.

The company applies the modified retrospective approach and therefore accordingly comparatives information has not been restated. The company recognizes a ROU asset and a corresponding lease liability for all leases arrangements under which it is a lessee, except for short term lease and low value leases.

The company has elected not to recognize right-of-use assets and lease liabilities for short- term leases of real estate properties that have a lease term upto 12 months or less and leases of low-value. The company recognizes the lease payments associated with these leases as expense over the lease term, and rent payment as an expense on yearly basis as there is no lease contract or rent agreement.

(n) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time on March, 31, 2023. MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023 as under:

IND AS 1-Presentation of Financial Statements-This amendment requires the entities to disclose their material accounting policies rather than their significant policies. The effective date of adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

IND AS 8-Accounting Policies, Changes in Accounting Estimates and Errors- This amendment has introduced a definition of 'accounting estimates' and included amendments to IND AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

IND AS 12-Income Taxes-This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date of adoption of this is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

26. Financial risk management

The company's financial liabilities comprises of trade payable for services. The main purpose of these financial liabilities is to manage finances for the company's operations and financial assets include loans, other receivables, investment in marketable securities, cash and cash equivalents and other financial assets. The company is exposed to Market risk, credit risk and liquidity risk.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprises three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price and commodity price risk. Financial instruments affected by market risks include loans, deposits investments and derivative financial instruments.

(b) Credit risk

Credit risk is the risk that a counter party will not meet the obligation under a financial instrument or customer contract, leading to a financial loss. The company is exposed from its financing activities including deposits with banks and other financial instruments. Credit risk on cash and cash equivalents is limited as the company generally invest in deposits with banks. Other loans are mainly provided to employees which have very minimum risk because of the nature of loans.

The board of directors reviews and agrees policies for managing each of these risks. The limits are set to minimise the concentration of risks, and therefore mitigate loss through counterparty's potential failure to make payments.

(b) Liquidity risk

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and its liquidity requirements. The company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate source of financing through the use of short term bank deposits. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the Company's liquidity position through rolling, forecast on the basis of expected cash flows.

(i) Fair value hierachy

This section explains the judgement and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value, and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each levels follows underneath the table.

Level 1: includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds, and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in stock exchanges is valued using the closing price at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case of unlisted equity securities, contingent consideration and identification asset included in level 3.

(ii).Valuation technique used to determine fair value

The company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement value

Specific techniques used to value financial instruments included:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of financial assets and liabilities at amortised cost is determined using discounted cash flow

The following method and assumptions are used to estimate fair values:

The carrying amounts of trade payables, cash and cash equivalents, short-term deposits etc. are considered to be their fair value, due to their short term nature. Financial assets and liabilities measured at fair value and the carrying amount is the fair value.

30:The Code of Social Security,2020 ("Code") relating to employee benefits during employment and post employment benefits received Indian Parliament's approval and Presidential assent 2020.The Code has been published in the Gazete of India and subsequently on November 13th,2020,draft rules were published ,and shareholder's suggestions were invited.However,the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when its comes into effect and will record any impact in the peiod the Code becomes effective.

31: Previous year's figures have been regrouped/reclassified wherever necessary to corresspond with the current year's classification/disclosure.
